Callout sizes are expressed in inches and equal rough opening.

* For multiple units, add the rough opening sizes together, do not allow for mullion.
(Example: twin 24x36 = 48x36 R.O.)

** Visible glass width of the upper fixed lite is equal to the visible glass width of the lower sash.

*** 72" tall windows also available as oriels.

■ Meets egress of:
Clear openable area \geq 5.7 sq.ft.
Clear openable width \geq 20"
Clear openable height \geq 24"

Summerfield 1100

Options

Grids:

Grids between the glass are available in all Summerfield 1100 windows.

Glazing:

Glazing options include Emax, Emax plus High Performance Glass, tinted, obscure glass and tempered glass.

Colors:

Summerfield 1100 windows are available in White and Tan.

Screens:

Half screens with fiberglass mesh and color coordinated aluminum frames are standard.

Mullions:

Summerfield 1100 windows can be mullied in the factory or on-site using the appropriate fasteners. Call your distributor for details.
